In line with government advice we would ask you to wash your hands carefully on entry into the church using the wash hand basin in the toilet, and again wash your hands before leaving. We would also ask you to keep your distance (at least 2 metres) from others who may be in the church at the same time. (This reflects the latest advice on the Church of England website).

Robert & Carole will continue to say Morning and Evening Prayer but not as a public act of worship. You can join this service home and the wording for these prayers can be found online at
