

Iver is accessible from the Motorway networks.

From the north use M40 Junction 1 initially via the A412 and then following Directions to Iver.

From the South use M4 Junction 5 via Langley and then the B470 to Iver.

**Parking**

As ever, parking is problematic but there is plenty of parking on nearby roads. There is also a car park which can also be used near the Village Hall, just a short walk from the church. These areas are marked in green on the map below.

**St Peters church is ringed in Red on both maps**
