Give thanks for your COVID Vaccination

As more of our family, friends and neighbours receive their COVID vaccinations, we rejoice and are glad that we and our loved ones are protected. For the poorest and most vulnerable communities across the world there is little hope of a vaccine rollout. These people already face a lack of water, food and healthcare. Please give thanks with a donation to Christian Aid to help protect our global neighbours while the vaccine is out of reach. <https://www.christianaid.org.uk/give/ways-donate/give-thanks-your-coronavirus-vaccine>
